

Parking & Directions to the Mary Graydon Center –

Attached is the parking map for campus, it highlights all of the garages that can be parked in. The garages outlined in light blue are permit only, but on the weekends and after 5pm, they are open for anyone to park there.

If members are driving to campus, Bender Arena Sports Center garage is going to be the closest parking garage to our building which is labeled **Mary Graydon** (but also attached to the Butler Pavilion) on the map. I would recommend parking on level 4, and entering the building through the right side of the garage. When you arrive through the door, you will see an office in front of you, bathrooms, and a hallway on your right that will lead to a small set of stairs down. Proceed through those doors to stairwell; on your left, you will see a set of white double doors. Through those double doors, you will be on level 2 of **Mary Graydon**. Continue down the hallway; take a right at the pocket lounge. Follow the hallway past our student radio station (on the right), Green Roof (on the left), until you reach an intersection where the marble floors meet the carpet. Take a left on the marble floor and MGC 245 will be the meeting room with the frosted glasses on your right. You will know you have made it when you see a large LCD TV in the room.

If members of the organization are using Lyft or Uber, you will see on the Parking Map a large **“S”** in front of a building named **“Hughes”** which is now our designated spot for Rideshare vehicles, in addition to the campus shuttle. The curb is also painted light blue, and specifies Rideshare, for drop off/driver reference. They will walk down the hill past the Kogod School of Business, and Battelle Tompkins. Continue down the hill past the flagpoles and enter the building on the left, through an automatic door. Taking the elevator to floor M2 will leave the guests in our adjacent building Butler Pavilion. Proceed through those doors to stairwell (in front of you once you come off the elevator); on your left, you will see a set of white double doors. Through those double doors, you will be on level 2 of **Mary Graydon**. Continue down the hallway; take a right at the pocket lounge. Follow the hallway past our student radio station (on the right), Green Roof (on the left), until you reach an intersection where the marble floors meet the carpet. Take a left on the marble floor and MGC 245 will be the meeting room with the frosted glasses on your right. You will know you have made it when you see a large LCD TV in the room.

If members are using the metro, they can catch the AU shuttle that will be running from the metro to main campus at 15-minute intervals, making stops along the way. The ‘Blue Route’ will be the best shuttle to take, as it will make a stop at the SPA building, labeled **Kerwin** on the map and is on the corner of Ward Circle and Nebraska Avenue. Getting off at this building and walking diagonally across campus toward **Mary Graydon**, once you enter the building, you will take the elevator to the 2nd floor of the building. Once off the elevator make a left and it is the room on the right with the frosted glass windows and the large LCD TV. You can also take the stairs that are right there. At the top of the stairs, it will be the room on your left.

If you have any day of questions, the Information Desk is a great resource, located on the 1st floor of **Mary Graydon**, they can be reached at 202-885-3387 day of if you should need any additions to setup or help in the room. I will also be here to check in with you once you arrive on the date.
